The purpose of the Newcomers & Neighbors' Club of Bedford is to extend a friendly and neighborly hand to all newcomers and residents by introducing them to others, starting them on a new social life in their community and promoting an interest in our town.

We also have a strong commitment to the community, and provide resources for making families and individuals feel at home.

We encourage newcomers as well as existing residents of Bedford to join us; a group of people who are taking steps to become active in their community and at the same time networking amongst new and old friends.

We are always open to new ideas on how to better serve our community and make everyone feel at home.

Interest Groups provide the opportunity to make lasting friendships on a more intimate level. Some activities, such as Book Club, Bunco and Ladies' Night Out are for the ladies only. Groups for couples include Potluck and Game Night as well as several parties and outings per year. We are always searching for new ideas for interest groups, so if you have a special interest or talent and want to find others to join you, please let us know.

We involve the whole family with our Children's Events, including a Halloween Party, Winter Holiday Party and a Spring Carnival. We participate in Bedford's Olde Town Day, Trick or Treat at the Farmers' Market, and many community events throughout the year.
